Abfallentsorgung | Waste disposal | Rifiuti

DE: In der Schweiz trennen wir den Abfall. Gratis entsorgt werden können: Grünabfall, Altglas, Karton, Papier, Blech, Aluminium und Batterien. Alles andere gehört in den roten, gebührenpflichtigen Abfallsack. Einen roten Abfallsack stellen wir unseren Gästen gratis zur Verfügung. Weitere Abfallsäcke, 15l muss der Gast selber besorgen. Die gibt es einzeln im Volg Supermarkt oder im Coop in St. Mortiz an der Kasse zu kaufen.

EN: In Switzerland, we separate waste. The following can be disposed of free of charge: Green waste, used glass, cardboard, paper, tin, aluminum and batteries. Everything else belongs in the red waste bag, which is subject to a charge. We provide our guests with a free 15-liter red waste bag. Guests must purchase additional waste bags themselves. These can be purchased singly in the Volg supermarket or in the Coop in St. Mortiz at the checkout.

IT: In Svizzera i rifiuti vengono separati. È possibile smaltire gratuitamente i seguenti rifiuti: rifiuti verdi, vetro usato, cartone, carta, latta, alluminio e batterie. Tutto il resto deve essere smaltito nel sacco rosso a pagamento. Ai nostri ospiti forniamo gratuitamente un sacco rosso da 15 litri. Gli ospiti devono acquistare autonomamente altri sacchi per i rifiuti. Questi possono essere acquistati singolarmente al supermercato Volg o alla Coop di St. Mortiz alla cassa.

DE: Die Behälter für den roten Abfallsack, den Recycling-Ware Bag** sowie der Behälter für den Grünabfall befindet sich unter der Spüle in der Küche.

EN: The bins for the red waste bag, the recycling goods bag** and the bin for green waste are located under the sink in the kitchen.

IT: I bidoni per il sacco rosso dei rifiuti, il sacchetto per la raccolta** dei materiali da riciclare e il bidone per i rifiuti verdi si trovano sotto il lavello della cucina.
